

Consumer Law Service - Pilot

The Centre is pleased to announce that it has been successful in securing a further 12 months funding to continue its Consumer Law Service until 30 June 2011.

The Consumer Law Service which commenced operation in September 2009, aims to assist consumers with consumer product and consumer services complaints, bankruptcy and other consumer matters.

We thank the Legal Practitioner's Interest on Trust Accounts Fund (LPITAF) for provision of funds which make continuation of the Consumer Law Service Pilot possible.
